

## Spring 2005 Small and Simple Awards

Project Name	Neighborhood Organization	Match Amount	NMF Amount
Prentis Frazier Park Improvement Phase I	Friends of Frazier Park	\$15,000	\$15,000
<b>Description:</b> The goal of this project is to construct park improvements, remove invasive plant species and plant native species utilizing the recently created improvement plan and involving neighbors in planning meetings and work parties.			
Belltown P-Patch Rejuvenation Project	Belltown P-Patch	\$5,860	\$1,060
<b>Description:</b> The goal of this project is to make improvements to the Belltown P-Patch to increase safety, improve functionality, beautify the neighborhood and provide a site to post community announcements.			
Mt. Baker Ridge Viewpoint Park	Mt. Baker Ridge Viewpoint Steering Committee	\$11,550	\$15,000
<b>Description:</b> The goal of this project is to construct a viewpoint park on a steeply-sloped vacant lot. The design features a platform that extends from the sidewalk at grade, to create a gathering space and identity for the neighborhood, and to make accessible the terrific panoramic view westward. This application is for construction documents.			
Queen Anne Streetscape	Picture Perfect Queen Anne	\$22,665	\$15,000
<b>Description:</b> The goal of this project is to engage community stakeholders in community workshops to create a master plan for the revitalization of Queen Anne Ave's Business Corridor between Galer and McGraw St.			
High Point Graham Staircase Rehabilitation	High Point Healthy Homes and Community Action Team	\$12,355	\$12,000
<b>Description:</b> The goal of this project is to rehabilitate a staircase pathway that connects the High Point community with the Longfellow Creek Legacy Trail. The project will result in a safe and friendly walkway that will encourage pedestrian activity and connection to adjacent neighborhoods and resources.			
Georgetown Historical Research Project, Phase 2	Friends of Georgetown History	\$20,625	\$14,940
<b>Description:</b> The goal of this project is to expand the scope of the current Friends of Georgetown History project by preserving the extensive research files of the late community historian Tim O'Brian. Also, by extending the oral history mini-class into next fall's Cleveland High School curriculum and by developing a participation plan for celebrating the historical components of upcoming Georgetown community events.			
Montlake Community Center Waterfront Access	Montlake Advisory Council	\$7,500	\$15,000
<b>Description:</b> The goal of this project is to hire a landscape architect to design a comprehensive plan to improve the quality, use, and public enjoyment of the waterfront area of the Montlake Community Center.			
Sealth-Longfellow Creek Courtyard	Friends of Sealth	\$11,850	\$10,000
<b>Description:</b> The goal of this project is to develop a master site plan for the improvement of the Sealth/Longfellow Creek Courtyard. Community meetings will be held to develop a neighborhood vision for the site and a landscape architect will be hired to create a master site plan.			

Project Name	Neighborhood Organization	Match Amount	NMF Amount
Bayview-Kinnear Park Improvement	Friends of Bayview-Kinnear Park	\$8,710	\$15,000
<b>Description:</b> This project will develop construction documents to cover the renovation of Bayview-Kinnear Park/Playground in the Queen Anne neighborhood. This phase will continue with the community input process and complete design and planning for the playground construction project.			
Fremont West P-Patch	Friends of Baker Street P-Patch	\$7,500	\$15,000
<b>Description:</b> This project will begin the process of organizing a steering committee and hiring a design consultant to develop a community-initiated design to build a new community garden on property recently acquired by the P-Patch Trust. The plan will be based on a number of community meetings and will reflect input from the neighborhood.			
Montlake Summer Music Festival	Greater Montlake Neighborhood Friends of Music and Cultural Arts	\$3,865	\$3,500
<b>Description:</b> The Montlake Summer Music Festival is a one-day event that will feature live music, dance, spoken word performances, youth art displays, food and information booths. The goal is to provide an intergenerational, multicultural and fun event for families and residents of the greater Montlake neighborhood. Community members are involved in all phases of planning and implementation of the event, from the selection of the performers to promotion and outreach. Youth have taken a significant leadership role in the festival planning and this event will further foster and promote their connection to the larger community. Post event evaluations and assessments will be conducted so that with the identification and assistance of community partners, this event can be self sustaining in future years.			
Fremont Arts Council Powerhouse Renovations	Fremont Arts Council	\$19,450	\$15,000
<b>Description:</b> The goal of this project is to make needed renovations to the Powerhouse, home of the Fremont Arts Council. Renovations include: removal of existing concrete floor and leveling of existing concrete floor, installation of improved and ADA accessible restroom, installation of wet-room for art projects and installation of a retractable awning over a portion of the apron, for use of outdoor space in inclement weather.			
Marra Farm Multipurpose Tool Shed	Marra Farm Coalition	\$8,220	\$5,260
<b>Description:</b> This project will build a small multipurpose tool shed at Marra Farm. Built into this creatively designed structure will be secure storage for farm tools, a teaching wall, harvesting station and gathering place. This project will facilitate community building as well as increased farm functionality.			
Pinehurst Pocket Park	Pinehurst Community Council	\$75,000	\$15,000
<b>Description:</b> The goal of this project is to create a pedestrian-oriented pocket park in the Pinehurst neighborhood. This lot is unique and visually attractive due to existing Doug Fir trees and natural vegetation. Funds will be used for construction design documents.			
Program Development for Community-Built Gathering Places	Greenwood-Phinney Placemaking Alliance	\$13,500	\$10,500
<b>Description:</b> This project will build the social and economic vitality of the Greenwood-Phinney neighborhood, and encourage place-based personal connections, by developing a replicable plan that facilitates creation of artful, environmentally sensitive, and celebratory gathering places in existing routes and paths of public travel.			

Project Name	Neighborhood Organization	Match Amount	NMF Amount
New Americans 101	Refugee and Immigrant Family Center	\$9,174	\$8,794
<b>Description:</b> The goal of this project is to fund a "New Americans 101" class that will help community members learn about US immigration and civil laws and thus avoid many complications that have resulted in arrest and even deportation, due to lack of knowledge.			
Wallingford Community Senior Center Kitchen	Wallingford Senior Center Improvement	\$8,675	\$7,900
<b>Description:</b> The goal of this project is to renovate the existing kitchen to make it safer and more functional for community use.			
Northgate Festival	Northgate Chamber of Commerce	\$15,000	\$15,000
<b>Description:</b> The goal of this project is to provide a fun and exciting festival featuring music, arts and culture and highlighting community assets.
